## Quotes from parents:

"I finally got the Sunday tunes CD we received in the mail put in my car. On the way to daycare Brooks asked about the "Jesus song" and spurred a conversation about Jesus. I'm not sure who found the program and got it started, but we really appreciate it."

"Thanks for the package! Brady and I are enjoying the CD on the way to daycare/work! Love the Abraham and Sarah song with the laughing. He also loves the Noah's Ark song about God's love. It's so cute because he copies me when I do the motions of a rainbow, dove, and rain. Looking back, the music of Sunday School was always the most memorable. It's funny how music really etches into your mind."
