

Availability

Available for type of service listed above. Subject to the established rules and regulations of LYREC.

Type of Service

Single phase at available secondary voltages. The capacity of individual motors served under this schedule shall not exceed 7.5 horsepower, except with the approval of LYREC.

Facility Charge

The minimum monthly facility charge under the above rate shall be \$20.00 or greater for all members per established rules and line extension policies. This will be billed in those months that the service has kWh usage.

Energy Charge

All kWh @ 7.1¢

Cost of Purchased Power Adjustment

If at any time after January 1, 2017 the wholesale cost of purchased power is increased or decreased, LYREC may increase or decrease the selling cost .1 mill for every .1 mill, or major fraction thereof, the cost of purchased power is increased or decreased.

Capacity Minimum Charge

For members requiring more than 20 kVA of transformer capacity, the capacity minimum monthly charge shall be \$1.00 for each additional kVA or fraction thereof required. Payment of capacity minimum charge shall entitle the member in all cases to the use of the number of kilowatt hours corresponding to the capacity minimum charge in accordance with the foregoing rate.

Minimum Annual Charge

Member will guarantee a minimum annual payment of 12 times the monthly facility charge and capacity minimum charge. Meter will be read monthly from April to October. kWh charges will be billed monthly for the months in which service is used. At the November billing, if the previous months' bills are less than the annual minimum charge, the difference will be billed in November.

Terms of Payment

All amounts are due and payable upon receipt of bills rendered by LYREC. Failure to pay as prescribed shall subject member to the disconnection policy of LYREC in effect at that time.

Effective January 1, 2019
