The purpose of the meeting was to nominate candidates for the election of directors in District 3 and 4. The election will be held during the June 1 annual meeting.

The committee selected John Redman for District 3 and Dennis Schmierer for District 4. Candidates can also be nominated by petition or from the floor at the June 1 annual meeting.

Dennis states, "Serving on LYREC's board has had many challenges, however it is very rewarding. One of the most rewarding aspects of being a board member is continuously finding ways to improve the members' power quality by upgrading LYREC's service so that LYREC can continue to thrive in the future." ■

John has a bachelor of science degree from Montana State University. John is Lower Yellowstone's representative to the Montana Electric Cooperatives'

District 4 Dennis Schmierer

Dennis was born and raised in Savage, Mont., where he graduated from high school and went on to the National College of Business in Rapid City, S.D. Dennis and his wife, Karen, have four children and seven grandchildren. He and his brother raise beets and cattle near Savage.
