
POLICY BULLETIN NO. 106

SUBJECT:

Idle Services/Line Retention.

POLICY:

When service is made available by the cooperative, the consumer shall have the responsibility for using and paying for the service.

If a consumer wants to retain service without it being energized, the cooperative retains the right, at its sole discretion, to charge and bill the consumer 75% of the monthly minimum account charges (base rate plus monthly capacity minimum) under its previous rate classification. LYREC will bill this amount on a monthly basis and the consumer shall be responsible for this amount.

In the event the consumer disconnects an available service and it is disconnected for 180 days or longer, the cooperative retains the right to remove the material and equipment which provides service to the disconnected location.

If at a later date, the consumer desires service to be restored at the same service location, the consumer shall be required to pay the full cost of construction to install the service.

RESPONSIBILITY:

Consumer

PROCEDURE:

If the terms and conditions in this policy are not met by the member, a 60-day notice to comply will be given. At such time LYREC reserves the right to remove all of the affected service.
